

PRESIDENTS REPORT JUNE, 2025

The board wishes to notify members that it is hoped (pending the books being completed by our Accountant and Auditors) that we will have our AGM in late August. As per the usual rotation of directors, Richard Steel, Phillip O'Leary and Lindsay Holloway will be up for re-election. Any person who wishes to stand for the board should obtain the CURRENT application form from our Secretary Stuart Pollard and submit same.

The plans for the waterfront have gone into Northern Beaches Council for a Pre DA conference. If all is well then the plans will have to go to other various government bodies for their approval. Then it is returned to the NB Council as an official DA for their final approval. Don't expect final approval next week.

Richard has been working hard to obtain another three moorings around the corner in Winji Jimmi Bay. He has attached a small white and pink buoy on to the main buoy so that members can easily find them. They are on the western side of the bay. I have attached a photo of one of the three. The buoys are numbered 8463-1, 8463-2 and 8462-3. They have a maximum use of 72 hours and limited to vessels up to 8 meters. We will be negotiating at a later date re these terms.

The mooring in Hardys Bay should be available soon. We are waiting for the current mooring to be removed and our mooring placed there. This mooring has a limit of 12 meters. (see mud map).

The boat and car stickers have been sent out. They should arrive by the end of the month. Thank you to the members who turned up to stuff the envelopes.

Alan Barnes

President
