

PRESIDENTS REPORT SEPTEMBER, 2026

WORKING BEE. The Annual PAC working Bee will be held on Saturday 17th I October, 2026 8am. Bring along your gardening tools, trimmers, paint gear brooms or whatever so that the we can clean up the club and surrounds for another year. It is also a great time to renew friendships and enjoy drinks and food provided by the club. (As well doing a bit to tidy up YOUR CLUB for the year) put the date in your diary, (phone) or whatever. At least tell your wife or love ones to remind you. The club will be CLOSED, before, and whilst the working bee is happening so don't come down to use the facilities until the afternoon. You will know when it is on because you should be here doing your bit for YOUR CLUB..

FORESHORE DEVELOPMENT. The DA has been submitted to the council. We are waiting for any complaints re the issue for consideration by the council. Again, many thanks to Kevin, Richard, Lindsay and others for the time and effort put into the process.

Some person (s) had been leaving oil in the waste bin. PLEASE STOP. The oil can be taken to the tip and left for FREE. THE bin is for waste taken from your VESSEL and rubbish whilst working on your craft, preferably work done at or near the club. (Not from your home or garage).

It is that time of year again where everyone wants to use slip 1.. Remember that there is a 2 day limit of use during the period from September to November inclusive. (That does include October)

THE workberth fees (note workBERTH, not workblrth) are now \$15 daily. You can book 2 days at a time. If towards the end of your day 2 you have a need for a 3rd day, AND nobody else has booked then be free to book it. If you have a project that needs a longer time, ring Richard or I for consideration of a longer time.

Thank you for those that replied and supported our desire to get a debit card for minor payments, (mainly website and email accounts.). I had spoken to the Secretary of the Co-ops about it, he stated that the Co-op had had the same problem and suggested the way around the problem which we adopted. The result was about 120+ for , 4 against. He also submitted our figures to the government which was approved by them. We are now currently trying to obtain the card from Westpac.

Thank you all that assist in running the club

ALAN BARNES
