PRESIDENTS REPORT NOVEMBER, 2026

THANK YOU for about 50 members that turned up to the annual working bee. Many projects were completed and OUR club was left looking better for it. Thanks to the organiser Lindsay. Denise and Sally combined well in the organising, purchasing and presenting of morning tea and lunch. No dramas, just got in there and sorted any issues.

XMAS LUNCHEON. 13 DECEMBER NOON. Our annual Xmas luncheon will be held in our clubhouse. $20 per head. FIRST 100 ONLY. Members, wives /spouse, and immediate family only. Money to be in our account by 7 DECEMBER. Surname and Xmas will be sufficient identifier. No money, no luncheon. Do it now. We need the numbers for catering. Don't expect a place if you are late paying. DO IT NOW. BSB 082294. A/c. 036582663.

Our DA has been approved by Pittwater Council. Organising and completing the project is next. It will be necessary to move some members boats or equipment. You will be advised closer to the action. I don't expect it before Xmas (this year)

The front gate has received a new motor. We are waiting on the electronic expert to put in a new reader - 10yrs + in a salty environment does not do much for the workings, plus the original has 6 or 7 wires hanging there and in the post.

Thanks to all those that keep this club running.

ALAN BARNES
